myBusinessCourse
CANVAS Integration Flow Chart

Have I created my new course in myBusinessCourse *and* a new course in Canvas* for the term?

YES / **NO**

YES branch:

This will be my first time integrating MBC with Canvas.
OR
I integrated prior to Fall 2018.

↓

Provide the following link to your Systems Administrator to begin the process:
https://mybusinesscourse.com/integrations/canvas?role=admin

↓

Systems Administrator completes initial, one-time application installation, which includes registering the domain.

I have previously integrated MBC with Canvas for Fall 2018 or later.

↓

The following link provides instructions on how to complete the integration process from your Canvas page.

https://mybusinesscourse.com/user_guide/#article/instructor/third_party/canvas

↓

Successful Integration?

YES / **NO**

NO branch (top):

Create your courses before proceeding with integration.

*PLEASE NOTE:
If you copied a prior Canvas Course, make sure you have removed all MBC links in your Canvas course before integrating.

Successful Integration? YES:
Repeat for additional sections as needed.

Successful Integration? NO:
Domain not registered?   Other Issue
